Caldwell County Commissioners Court  
110 S. Main Street Room 201  
Lockhart, TX 78644

Attn: Judge Ken Schawe

At the last Commissioners Meeting, you requested that I re-submit my proposal to the Court for approval of the attached part time position. As I stated to the Court, my Office is no longer working warrants and the JP Office has noted a decline of over \$9,000 in monthly revenue. I would like to make a motion that the court approve the position for a part-time Warrant Deputy for Pct. 1 with a salary of \$19/hr not to exceed an annual salary of \$10,000 plus the County portion for employee payroll expenses.

I have a reserve deputy, Lt. Stephen Holman, interested in the position. I would support him in this position. However, after all posting requirements have been met – I will make my decision.

Thank you for your consideration.

Sincerely

Victor "Smitty" Terrell

Re: Selection of Aaron Concrete Contractors, LP for Contract Award for Project 1, SH  
130 Concession Funds

Dear Mr. Dill:

This letter supersedes my letter of October 9th.

This letter is to inform you that after further review, Caldwell County has determined that the previously recommended contractor, Cox Commercial Construction, LLC, did not meet the prequalification requirements as outlined in the proposal and the Invitation for Bids document. Therefore, we have determined that Cox Commercial Construction, LLC is nonresponsive. We are asking TxDOT to rescind the previous concurrence to award granted on October 15, 2015.

Caldwell County recommends that **Aaron Concrete Contractors, LP**, be awarded the contract since they are the lowest responsive responsible bidder. We request your concurrence in the award of this project. Caldwell County has complied with TxDOT and State requirements for bid advertising, solicitation and contract award.

On September 28 three bids received were opened in the Commissioners Court meeting and read into the record. Jones and Carter had earlier provided an Engineer's Estimate for construction of **\$1,628,847.70**. The following two bidders met all the written requirements of the proposal document and deemed responsive.

**Page 2**  
**Dill Ltr.**

The two companies and their bids are:

<b>-Aaron Concrete Contractors, LP</b>	<b>\$1,385,689.80</b>
<b>-Angel Brothers Enterprises, LTD</b>	<b>\$1,445,042.15</b>

Caldwell County expects to award the contract at its November 9th meeting if TxDOT approves the award. We appreciate TxDOT's continued support to successfully implement the SH 130 Concession Funded projects.

Please call me at 512-398-1808 should you have any questions.

Sincerely,

Ken Schawe

Re: Potential irregularities with apparent low bidder Cox Commercial Construction, LLC related to solicitation CSJ 0914-22-064, construction of Old Fentress Road (CR 217), Westwood Road (CR 215), and Cherryville Parkway (CR 110)

Dear Commissioner Munoz:

The purpose of this letter is to bring to your attention potential irregularities with the apparent low bidder on solicitation CSJ 0914-22-064, which involves construction on Old Fentress Road (CR 217), Westwood Road (CR 215), and Cherryville Parkway (CR 110) (the "Project").

As stated in the county bid specifications and the invitation to bid on this Project, responsive bidders must "be qualified via 'Confidential Questionnaire' by the Texas Department of Transportation ("TxDOT") for bidding on State projects or within the ninety (90) day grace period for the preparation of a new qualification statement, or have submitted the Confidential Questionnaire and have it on file with TxDOT at least ten (10) days prior to the date proposals are to be opened." Cox Construction, LLC was designated as the lowest responsible bidder on the Project. However, according to the TxDOT website (a copy of which is included in this letter), Cox Construction, LLC does not have "Confidential Questionnaire" qualification. If this is accurate, Cox Construction, LLC is a nonresponsive and/or non-responsible bidder and should not be awarded the contract for the Project.

Based on this irregularity, we urge you to either award this public works contract to Aaron Concrete Contractors, LP (as our firm qualifies as the lowest responsible bidder) or take such other steps as are permitted by law.

Respectfully,

Re: **Discussion/Action** to award a contract for construction of the following three county roads: Old Fentress Road (CR217), Westwood Road (CR 215), and Cherryville Parkway (CR110) per the Invitation to Bid authorized by the Court on August 28 and the bids received by September 28.

Date: October 19, 2015

Judge Schawe and Commissioners,

This is a continuation of Agenda item 15 on October 12. The Court tabled the item pending receipt of TxDOT's letter of authorization for the County to award the construction contract. The letter is expected to be issued prior to the October 26 Court meeting.

Working with Jones & Carter and TxDOT the County published an Invitation to Bid for the construction of the three above named County roads on September 6 consistent with TxDOT and State requirements. On September 28 the three bids received were opened in the Commissioners Court meeting and read into the record. Jones and Carter had earlier provided an Engineer's Estimate for construction of **\$1,628,847.70**.

The companies and their bids are:

<b>-Aaron Concrete Contractors, LP</b>	<b>\$1,385,689.80</b>
<b>-Cox Commercial Construction, LLC</b>	<b>\$1,380,358.40</b>
<b>-Angel Brothers Enterprises, LTD</b>	<b>\$1,445,042.15</b>

Caldwell County has complied with TxDOT and State requirements for bid advertising, solicitation and contract award. On October 5, I forwarded the bid documents and Jones & Carter's recommendation to Roy Dill, the TxDOT area Engineer for Caldwell County. TxDOT is reviewing the bids and Jones & Carter's recommendation. Once TxDOT approves the bids and recommendation, it will transmit a letter of authorization for the County to award the construction contract.

**RECOMMENDATION:** That upon receipt of TxDOT authorization, the Commissioners Court award the construction contract for Old Fentress Road (CR217), Westwood Road (CR 215), and Cherryville Parkway (CR110) to one of the three companies listed above.

Please let me know if you have any questions.

**2015.11.09.09 Discussion/Action** to identify potential projects in Caldwell County for STP MM funding for CAMPO Board Approval. **Cost: TBD. Speakers: Commissioner Muñoz/Michael Aulick. Cost: TBD Backup: 1**

To: Caldwell County Commissioners Court  
From: Michael Aulick, Aulick and Associates, LLC  
Re: Discussion/Action to identify potential projects in Caldwell County for STP MM funding for CAMPO Board Approval

Date: October 21, 2015

Judge Schawe and Commissioners,

Since the Court meeting on September 28, I have discussed with TxDOT the criteria for identifying potential roadway projects that are eligible for Federal funds. There is **\$896,518** in Federal STP MM funds allocated by CAMPO to Caldwell County. The non-federal match (20% of total) required would be **\$224,130** (Total = \$1,120,648). The match can be provided by the County, TxDOT or by using Transportation Development Credits (TDCs) approved by CAMPO.

One requirement for the use of federal funds is that roadways must have a TxDOT functional classification of Major Collector or higher. It appears that the only roadways in the Caldwell County unincorporated area that meet this criterion are on the TxDOT highway system. There is also a provision for "Construction of a bridge that replaces a low water crossing of any length." I am checking with TxDOT which roadways in Caldwell County would be eligible for this category. I have requested that TxDOT staff suggest high priority projects on the State highway system.

CAMPO staff has suggested that **\$225,000** of the available STPMM funds be used for the "Luling Relief Route Alternative Analysis."

Also, TxDOT has a TxDOT funded Off-System Bridge replacement program. In Caldwell County since May, 2014 three bridges on Oak Grove Rd. (CR 127) and one bridge on Seawillow Rd. (CR 2015) have been upgraded by TxDOT. There are additional bridges identified by TxDOT for future funding.

#### Background

In December 2011, CAMPO allocated **\$1,696,518** in STP MM federal funds (\$2,120,648 total) to Caldwell County based on its proportional share of the total CAMPO area population, with the provision that any projects picked by Caldwell County be subject to approval by the CAMPO Board, as is the case for all STP MM funded projects.

On August 26, 2013 the Caldwell Commissioners Court adopted a resolution requesting that CAMPO approve the reallocation of **\$800,000** of Caldwell County's allocated STP MM federal funds to Hays County for the use on the FM 110 project which would run in both counties. The CAMPO Board approved that allocation at its October 14, 2013 meeting. After that action, Caldwell County retains **\$896,518** in allocated STP MM federal funds.

#### Conclusion

I will work with TxDOT and Hays County Commissioners and staff to prepare a short list of eligible projects in Caldwell County. Please let me know if you have any questions.

CALDWELL COUNTY TREASURER

COUNTY AUDITOR

Dear Ms. Rangel:

This letter is to notify you that Caldwell County has been overpaid \$137,580.92 in local sales and use taxes. The overpayment was the result of a business that filed two refund claims for taxes they paid to their vendors in error. These claims have been verified as valid refunds based on exemptions allowed under local sales tax statutes and amounts reported by the taxpayer. Since this amount has been refunded to the taxpayer, it must now be repaid to the State.

The options to repay the erroneous amount are as follows:

- 1) Full reimbursement by one time check\*,
- 2) Apply all monthly collections to the overpaid amount until the amount has been repaid, or
- 3) Enter into a 50 month payback agreement where a monthly deduction of \$2,752.00 is made for 49 months with a final deduction of \$2,732.92. This deduction would start the month after we receive your response or two months after the date of our letter if we do not receive a response. Additionally, future significant audit payments may be applied toward the repayment amount to reduce the length of the payback and notifications of those applications will be sent.

No fees of any type will be assessed on the payback amount.

\*If you choose option 1, "full reimbursement by one time check," the payback amount should be adjusted by the 2% service fee. Multiply the payback amount by 2% (.02); subtract the 2% amount from the payback amount, then pay the adjusted amount.

Please mark an X in the applicable box above for the option you wish to choose, have a county official sign at the bottom, and return this letter using the enclosed self-addressed envelope.

If you have any questions or need additional information, you may call me toll free at (800) 531-5441, ext. 50550. My mailing address is PO Box 13528, Austin, TX, 78711, the FAX number is (512) 475-1523 or my email is shirley.kaatz@cpa.texas.gov.

Lockhart, Texas 78644

We are pleased to confirm our understanding of the services we are to provide Caldwell County, Texas for the year ended September 30, 2015. We will audit the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information, including the related notes to the financial statements, which collectively comprise the basic financial statements of Caldwell County, Texas as of and for the year ended September 30, 2015. Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement Caldwell County, Texas' basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to Caldwell County, Texas' RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

- 1) Management's Discussion and Analysis.
- 2) Budgetary Comparison Schedules Presented as Required Supplementary Information,
- 3) GASB Required Supplementary Pension Information

We have also been engaged to report on supplementary information other than RSI that accompanies Caldwell County, Texas' financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and we will provide an opinion on it in relation to the financial statements as a whole, in a report combined with our auditor's report on the financial statements:

- 1) Combining and Individual Fund Statements and Schedules Presented as Other Supplementary Information

**Audit Objective**

The objective of our audit is the expression of opinions as to whether your financial statements are fairly presented, in all material respects, in conformity with generally accepted accounting principles and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America and will include tests of the accounting records and other procedures we consider necessary to enable us to express such opinions. We will issue a written report upon completion of our audit of Caldwell County, Texas' financial statements. Our report will be addressed to the County Judge and Members of the Commissioner's Court of Caldwell County, Texas. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs. If our opinions on the financial statements are other than

unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or may withdraw from this engagement.

### **Management Responsibilities**

Management is responsible for the basic financial statements and all accompanying information as well as all representations contained therein. You agree to assume all management responsibilities for any nonattest services we provide; oversee the services by designating an individual Debra French, CPA, County Auditor, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

Nonattest Services – As part of the audit, we will assist with preparation of:

- 1) The County's Financial Statements,
- 2) Adjusting Journal Entries

Management is responsible for establishing and maintaining effective internal controls, including monitoring ongoing activities; for the selection and application of accounting principles; and for the preparation and fair presentation of the financial statements in conformity with U.S. generally accepted accounting principles.

Management is also responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, (2) additional information that we may request for the purpose of the audit, and (3) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws and regulations.

You are responsible for the preparation of the supplementary information in conformity with U.S. generally accepted accounting principles. You agree to include our report on the supplementary information in any document that contains and indicates that we have reported on the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon OR make the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information is issued with our report thereon. Your responsibilities include acknowledging to us in the representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

### **Audit Procedures—General**

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental

regulations that are attributable to the government or to acts by management or employees acting on behalf of the government.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards. In addition, an audit is not designed to detect immaterial misstatements, or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about the financial statements and related matters.

#### **Audit Procedures—Internal Control**

Our audit will include obtaining an understanding of the government and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards.

#### **Audit Procedures—Compliance**

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of Caldwell County, Texas' compliance with the provisions of applicable laws, regulations, contracts, and agreements. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion.
